RE: Mission Printer (C121-1021)

Date: Monday, May 4, 2020

To Whom It May Concern

This memo is in regards to the Mission Printer (C121-1021). The printer which is offered as an optional accessory for use with several ACON Laboratories medical devices does not meet the definition of a medical device accessory. The Printer is however CE marked in accordance with the EMC directive 2014/30/EU, the LVD directive 2014/35/EU, and the RoHS directive 2011/65/EU.
