Description

URILYZER® 100 PRO URINE ANALYZER - with printer

Urilyzer® 100 PRO is a semi-automated and compact urine test strip reader that offers a broad range of optimized features.
The intuitive user interface improves data entry and allows manual entry of colour and turbidity from a predefined list or by an additional comment.
Moreover, the system provides the user with a high level of customization with flexible testing and reporting options.
The intelligent database-driven data management provides multiple filter options.

To be used with urine strips 24056, 24057, 24058, 24062, 24063, 24064 only.
