Description

Gynex professional chair offers fuctionality, aesthetics, ergonomics.

It can satisfy all patient and user needs for to a professional gynaecologic visit. Gynex professional is provided with versatile accessories: back paper-roll dispenser, metal basin, chromed handles, leg-supports.

3 engines allows, in addition to lifting, electric backrest and legrest movements.

The combined movement of backrest and seat by means of self-balancing system (operated by a silent low tension actuator of 2500 N) grants maximum comfort to the patient.

The padded and pelted armrests allow a relaxing protecting sitting position, armrest are individually revolving and removable. Backrest is provided with removable height-adjustable headrest. The wide and soft backrest has independent adjustment movement through silent low tension actuators (1000 N each one).

This chair is moved by a silent low tension engine which allows a vertical excursion of 40 cm from zero position.

The electrical drives are controlled by an ergonomic double switch control, connected to the chair by a cable.
Gynex professional can be easily transformed into an examination bed (horizontal position).

Made in Italy.
