EAN/UPC	8023279275216

Description

GYNEX - GYNAECOLOGICAL CHAIR

GYNEX: a chair offering a unique combination of functional, aesthetic and working characteristic. Thanks to its self-balancing seat and backrest, GYNEX can be adjusted to any build for the greatest patient comfort. The chair is provided with an electromechanical lifting device, having a power supply at 24 V. The electric actuators enable the movement up and down from 57 cm off the floor (“0” position) up to a maximum of 96 cm. The backrest is supplied with adjustable headrest and paper roll holder. The legrest can be indipendently adjusted and it has an automatic-locking device. The chair can be flattened to a bed position for examination activity, the armrest can be removed and independently oriented. The electric control of the chair for upright position is operated by means of a foot pedal.

Made in Italy.
