Description

AROS BATTERY SUCTION UNIT - 1 l

This lightweight and easy to carry suction unit is ideal for home and emergency use.
Modern and portable design, it's equipped with a rechargeable lithium battery that delivers up to 60 minutes of use on a full charge.
The suction unit features a dual jar hook system, allowing quick changeovers without interrupting the procedure.
It also supports disposable liner bags (optional) to simplify cleanup and minimize the risk of cross-contamination.

- upgraded vacuum gauge and adjustment knob for accurate suction control
- built-in overflow protection system safeguards the internal pump
- real time battery indicator to monitor power levels
