Description

HOT-COLD THERMY GEL 11x26 cm - box of 25

Non-toxic and reusable hot/cold gel suitable for medical purposes. These gel packs are microwave and boiling water-safe, making them ideal for heat therapy: lumbago, stiff-neck, rheumatism, hypothermia and whenever hot application is required. When placed in the freezer, they are perfect for cold therapy: haematomas, sprains, injuries, hyperthermia and whenever cold application is required. Can be used with a cover (28596) to prevent burns.
