Description

INFRARED LAMP - 250 W - desk with table clamp

Infrared lamp with heat distributed evenly. The luminaire is mounted with a highly precise articulated arm. The arm allows easy adjustment in different positions, providing a long reach and maximum vertical and horizontal movement. Metallic structure. Lamp is manufactured with durable materials and with very low maintenance costs.

Head Ø 21 cm
Arm length 90 cm (45+45)
Internal spring balanced arm allows different positions

Made in Spain.
