Description

PERNO Speculum - small Ø 20 mm

PERNO SPECULUM - with central key adjustment - sterile

For dilation of the vaginal canal to expose the uterus neck.
It allows the adjustment of the vaginal opening by positioning the blades and locking the central key.
The smooth surface and rounded edges aid a comfortable introduction.
The central key can be bent down for an easier introduction of cumbersome instruments.

Available 3 sizes distinguishable through key colour.
Made in Europe.
