EAN/UPC	8023279336443

Description

PRO 28 INTERMEDIATE - 96x96x197 cm

Soundproof booth with innovative internal isolating design and acoustic technology for a higher soundproofing performance in the most compact solution.
The internal finishing is composed by a special soundproofing fiber covered with a sanitizable, fireproof, highly resistant acoustic material which provides the booth with a perfect acoustics.

Integrated silent forced ventilation system

Recommended for hearing screening and diagnostic tests for those who have limited space available.

Made in Italy.
