Description

Cavilon™ durable barrier cream 92 g

3M™ code: 3392G
Minimum order: 1 dispenser

3M™ Cavilon™ Durable Barrier Cream
Concentrated, fragrance free moisturising barrier cream that creates an invisible, breathable barrier over the skin to moisturise and protect the skin from the irritating effects of bodily fluids.
Clinically proven to prevent and treat incontinence associated dermatitis (IAD).

A complete range of products to protect skin from body fluids and friction.
Cavilon™ products create on the skin a highly breathable, long lasting transparent coating to prevent maceration and trauma.
Alcohol-free, hypoallergenic and non-irritating, can be used on broken skin and under any tapes and dressing.
