Description

NONIN ONYX® VANTAGE 9590 PULSE OXIMETER - blue

The only finger pulse oximeters with scientifically proven accuracy in motion and low perfusion. Tested for use on fingers, thumbs, or toes.

- Accurate - Scientifically proven performance in the widest range of patient populations and settings.

- Durable - Protects against dropping and water spills; allows for thousands of uses in any environments and exceed IP32 water ingress testing.

- Efficient - Up to 6000 spot checks or 36 hours of continual operation on two AAA batteries.

- Safe - Built in the USA with lead-free and latex-free construction.

- Versatile - suitable for pediatric to larger adult patients. Wide range of digit thicknesses from 8 mm to 25.4 mm.

- Warranted - Industry-leading 4-year warranty.

- Cost Effective - Proven accuracy, quality and durability make the Onyx Vantage a smart purchase for the long term.

Multilingual CD manual: GB, FR, IT, DE, ES, PT, GR, NL, PL, NO, FI, DK, SE.

Large bright LED Display. SpO2 and pulse rate can be read from any angle, day or night.
Lead (PB) free and latex free
