Description

LUMEX LED LIGHT with handle - trolley

Compact LED light featuring a modern design combined with innovative lighting technology and excellent manoeuvrability. The light is significantly more pleasant to the eyes and colours are rendered accurately. Ideal for examinations and minor surgery procedures at doctor's office, clinics and hospitals. Ergonomic and hygienic design with removable and sterilizable handle which allows movements.

Control system to manage 5 levels of brightness

Directional handle

Multilingual manual: GB, FR, IT, ES, PT, DE, PL, NL, CZ, HU, SE, DK, HR, RO, GR.
