Description

X-CHECK PRO AUTOMATIC B.P. MONITOR with Bluetooth

Automatic blood pressure monitor which combines smart technology with medical-grade accuracy to make home monitoring easier and more reliable.
It features a large 4.2” LCD display with a clear 4-colour backlight system.
The upgraded algorithm and intelligent inflation technology ensure precise readings, while the irregular heartbeat (IHB) detection helps identify abnormal heart rhythms during each measurement.
A cuff wearing detection system confirms when the cuff is properly positioned with an “OK” indicator, and movement detection ensures that measurements are taken under the right conditions.

- one-button operation
- 2x120 memories with date and time
- average reading of last 3 measurements

It pairs with the free Tuya Smart App, to track and manage health data.

Supplied with adult soft nylon cuff 22-42 cm, pouch and multilingual manual in GB, FR, IT, ES, PT, DE, NL, SE, PL, HU, RO, GR.
