Description

3M™ ACTISORB™

3M™ code: MAS105
Product: Actisorb™ Silver 220
Size: 10.5x10.5 cm
Minimum order: Box of 10

3M™ Actisorb™ 220 are activated charcoal dressings with silver, enclosed in a non-adherent nylon sleeve.
The charcoal traps odour in the dressing, binds bacteria and toxins that impair the healing process, thereby improving patient's life quality.
Silver eliminates a wide range of bacterial, fungal and viral pathogens that can occur in a wound.
These dressings provide effective antimicrobial activity, also managing exudate while helping to maintain a moist wound healing environment.
