Foley Anchor Urinary Catheter / Drainage Line / Driveline Securement

CENTURION

Reference	FCS200ZT
Description	Foley Anchor is a urinary catheter securement device that removes the frustration factor often experienced by caregivers and patients attempting to keep a Foley catheter securely in place. Foley Anchor is easy to apply and remove and fits virtually any size catheter. The long wear time reduces nursing time and it prevents catheter dislodgement. Width (cm): 11.43 Length (cm): 7.62 **Recommended usage:** Urinary Catheter Drainage Line Driveline Securement
Main Materials	Liner: Silicone treated paper Securement band: Silicone Medical grade adhesive Base: PVC (FCS200ZT) / PE
Pack Factor	50 Units per case
Packaging	All the units are packaged in a case
