DECLARATION

for Procedure Packs according to Article 22 of Regulation (EU) 2017/745 and Part II Article 14 of UK MDR 2002 as amended

Medline International France SAS

5, rue Charles Lindbergh
44110 Châteaubriant France,

Hereby declare that:

(a) The mutual compatibility of the devices and other products combined in Sterile Procedure Trays has been verified and are in accordance with the manufacturers' instructions.

(b) The assembly, packing and sterilization of the Sterile Procedure Trays have been carried out in accordance with the manufacturer's instructions.

(c) The Sterile Procedure Trays are packaged in appropriate sterile packaging and are accompanied by relevant information to users incorporating the information to be supplied by the manufacturers of the devices and other products.

(d) Appropriate Internal monitoring, verification and validation methods are in place for assembly, packing and sterilization activities related to the Sterile Procedure Trays.

(e) The CE certificate number MDR768667 delivered by BSI Group, The Netherlands B.V (2797), and UKCA certificate UKCA752994 delivered by BSI (0086) covers sterile Procedure Trays listed in the following pages.

Revision N° 90

GMDN Code: 33961
EMDN Code : T0202

Authorised Signatory:
